

Dear Parents and Guardians,

Our classroom is using interactive reading and math resources from StarrMatica.com to engage students in learning. Your child also has the ability to access StarrMatica's practice activities and games at home, at the library, or from any computer with Internet access. Here are directions to help you and your child log-in:

Go to: www.starrmatica.com Type your child's userid, password, and user code in the Member Login text fields found in the upper right corner of StarrMatica's website. Then, click "Login."

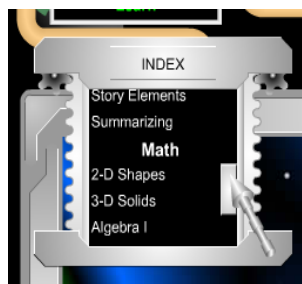

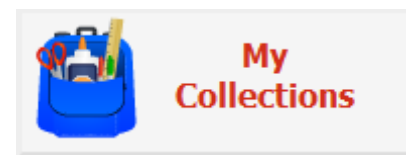

Member Login

Userid: User Code: 0000

Password: Login

Click the My Collections backpack to view activities a teacher has selected just for your child!

Click the 3-6 Lessons button to explore 3rd-6th grade content. Click INDEX. Scroll through the list of lessons by clicking and dragging the scroll bar on the right. Click your choice to access content for that lesson. Navigate to different parts of the lesson by clicking the LEARN, PRACTICE, TEST, and RESOURCES gears.

Click the K-2 Lessons button to explore K-2nd grade content. Click a castle to choose a subject. Then click a lesson. Navigate to different parts of the lesson by clicking the LEARN, PLAY, TEST, and MORE FUN islands.

Thank you for taking an active role in your child's education, and enjoy StarrMatica!
